Based on your patient count, payer mix and specific demographic area we can run a calculation that will show you just how much revenue you could be generating!

Get with one of our consultants today so we can get your practice information and we will show you just what is possible!

Even if you have engaged in an ANS program before there is no one in the industry that can offer you what we do.

**WE KNOW HOW TO GET YOUR PRACTICE PAID.**

Other practices that have attempted to bill ANS unsuccessfully are now working with us making incredible returns.

So even if you have a device now, we can work with you!

**THIS CUTTING - EDGE MEDICAL DEVICE AND PROGRAM WILL EVOLVE YOUR PRACTICE!**

Patient Encounter Compilation & Execution  
**SOFTWARE**

### **PATIENT ENCOUNTER COMPILATION EXECUTION**

Medical Necessity is developed through our proprietary software for the Provider. The encounter form generated by PECE is then quickly reviewed. Extremely time efficient.

**The Advance Wellness Solutions ANS device** and smart engagement form technology will transform your practice. There are other devices on the market, but none off them give you the incredible amount of analytical data or the billing profile support we offer! Produce incredible results for your patients and a super bill that is pre-populated with your exact billing requirements to get reimbursed!

**DRAMATICALLY IMPROVE YOUR PATIENT OUTCOMES WHILE INCREASING PRACTICE REVENUES WITH OUR COMPLETE ANS SYSTEM.**

Patient Encounter Compilation & Execution  
**SOFTWARE**

By utilizing our propriety PECE software we have physicians 10 minutes or more on each billing submission through auto populating the super bill based on the exact codes needed in your given state, city and even Burrough.

These are updated by our expert billing professionals on a very consistent basis.

**The code we use are:**

**95923, 95943, 95921, 95924, 95922**
